

Honor your **country**
while you support your
community
with the

Kennedale Rotary Club

Flag Program

With your **\$40 one-year subscription** we will fly a flag near your front curb on six holidays. We'll also collect, clean and store the flag and flag pole between holidays.

The flag program is the primary fundraiser for the Kennedale Rotary Club, the city's only civic organization. Your subscription helps fund educational programs for Kennedale youth, food & clothing for underserved local families, and international humanitarian projects such as clean water, hunger relief and literacy.

For flag installation details and a map of our service areas, visit us online at rotary.kennedale@gmail.com

*Your charitable subscription is for the calendar year and cannot be prorated.
